A full entry list and the event results must be provided within 7 days of the event to the Championship Points Scorer.

Contenders: Contenders must enter the Interclub section of all Championship rounds. All Contenders must be in possession of a valid Motorsport UK Competition Licence, at least an RS Interclub, to enter the Interclub events. Drivers and Navigators must hold at least RS Interclub Licences for the Interclub event even if they are not a Championship Contender. CMSGCC decals do not need to be displayed on the competing car.

Points: Points will be class based and awarded to drivers and navigators as follows:

- ☐ 5 points for starting an event
- ☐ 15 points for the highest placed championship contender in class, 12 points for the 2nd highest placed championship contender in class, 10 points for the 3rd highest placed championship contender, 9 points for the 4th highest placed championship contender down to 1 point for 12th highest placed and lower championship contender.

If contenders wish to score points as a driver and navigator, then they must register and pay for each capacity. Marshal points will be applied to both driver and navigator capacities when marshalling on one event.

If the event organiser is unable to resolve a tie then both competitors will receive the same points. (e.g. in a tie for 2nd both contenders will receive 17 points).

In addition, all competitors will receive 0.2 points per competitor beaten in the Event Class, whether these are registered contenders or not.

Contenders will score points in the Class they enter on an event. Points will be accumulated across Classes for overall results.

The Clerk of the Course and Secretary of a Championship Round may claim 17 points for organising one event in the Championship. Competitors can claim 17 points for Marshalling on one event (not after they have retired from that event). Proof such as a picture/photograph of the Officials Signing On sheet must be sent to the Championship Points Scorer. Only one claim can be made for Marshal/Official points in the Championship year.

Final positions will be decided by considering the best scoring events from the Championship Events including Marshal/Official points.

If only 10 or 9 events run then the best 5 scores will count,

If only 8 or 7 events run then the best 4 scores will count,

If only 6 or 5 events run then best 3 scores will count,

4 events run, then the best 2 scores will count.

If there are less than four rounds held, the championship will be cancelled.

Ties at the end of the championship will be resolved by considering, in order: (a) highest number of maximum points scores followed by 2nd, 3rd etc, (b) highest number of event class wins followed by 2nd, 3rd etc whether these are registered contenders or not, (c) highest dropped score, (d) next highest dropped score. Marshal/Organiser points will be included in the tie break. If a tie still exists the position shall be held jointly.

Current championship points will be notified to each competitor in regular updates.

Classes: Experience classes will be based on the experience of the driver in the last five years (as a driver). Where it is possible to drive AND navigate on an event, points will be scored for each role i.e. points can be scored for driving AND navigating.

All Experience classes will be split in to 1400cc and under, and over 1400cc.

Bonus points will be based on the Class entered on an Event. Drivers and Navigators will score points individually. Competitors can score both Driver and Navigator points on events which allow double driving/navigating. To score Driver AND Navigator points on an event, the Contender must be Registered as a Driver and Navigator in the Championship.
