

Cotswold Motor Sport Group

Chairman's Report 2025

I would like to welcome you all to the 2025 Cotswold Motor Sport Group AGM.

The club has had another successful year and continues to provide 5 excellent grass roots championships attracting competitors from a wide area, the success of our championships are down to the hard work of our championship points scorers.

Our monthly meetings also offer an opportunity for our member clubs to discuss dates and other interesting issues within our motorsport community, something that CMSG was originally set up for.

Monthly meetings remain "Hybrid" giving those who would normally have to travel large distances the opportunity to attend without the need to make those long distance round trips especially during the winter months when weather can be poor.

From January this year our meetings returned to Cheltenham Motor Club, so can I pass on my thanks to Neil and CMC for the hospitality.

My thanks go to:

Mark Benstock for his secretarial skills.

Ken Sheather for looking after the Competitors Club, membership, finance & the Ltd.

Special thanks to Simon Harris for his unsung work and advise in the back ground, and of course the year book.

The Competitors Club exists to provide local competitors with competition and many thanks go to the championship point scorers.

Haydn Marks for the Autosolo championship,

Brian Camack for the Road Sport Championship

Chris Buckle for the Car Trial Championship

Alan Wakeman for Targa Championship

As you all know the group has timekeeping equipment under the watchful eye of Graham Ford, many thanks are expressed to Graham for maintaining this valuable function on behalf of the group.

Our thanks to the Highwayman Inn who looked after us since the end of Covid, and hosted our annual awards this year.

My final thanks go to Dave & Lee Kedward at B P Motors for their financial support towards the championships.

Martin Saunders

CMSG

Chair – 9th December 2025
